A BILL FOR

An Act to amend section two hundred fifty-two point forty-three (252.43), Code 1946, permitting the boards of supervisors of the various counties of the state to levy an additional millage for the support of the poor.

Be It Enacted by the General Assembly of the State of Iowa:

1 Section 1. Section two hundred fifty-two point forty-
2 three (252.43), Code 1946, is hereby amended by adding
3 thereto the following:
4 “Should the one and one-half mill levy fail to provide
5 adequate funds to take care of the poor, then the board of
6 supervisors, with the approval of the state comptroller, shall
7 levy an additional tax of not to exceed one and one-half mills,
8 to be entered on the tax list and collected as the ordinary
9 county tax. Before any such additional levy is made, a showing
10 of the necessity for such additional levy shall be made to the
11 state comptroller and no such additional levy shall be made
12 unless it shall be approved in writing by the comptroller.”

EXPLANATION OF H. F. 368

This bill is intended to aid counties in meeting expenses when the one and one-half mill levy fails to raise the necessary money. Approval of the state comptroller must first be secured.
